Project Info | Circuits | Raceways | Cable Routing | Devices | Cable Reels | Labels | Data Lists | Utilities

Circuit List | Overview | Report

Circuit No.: CC341AH-1      Suffix:      Quantity: 1      Estimated Length: 50

Cable Code: 3/C 14 - C1      3/C #14 Control Cable, FREP/CPE

From Device: AC MCC B      To Device: PS&G

Physical Area: CTG1      System: SWPC

Turnover System:      Drawing Number: SHEET #15

RACEWAY: CT001-1      Aux 2:      Aux 3:      Close

Term Points      Reel Assignments

Actuals:      Notes:

Actual Length: 100      Terminated From:      Terminated To:      Date Pulled:      Terminated To:      Undo
